Date: 04-12-2025

IIIT Raichur is an Institute of National Importance established by an Act of the Parliament in 2017. There are two open positions of temporary Project Fellows at IIIT Raichur, as mentioned below:

Table 1: Details of the positions:

S. No.	Particulars	Details
1	Name of the Position	Project Associate - II
2	Number of Positions	1
3	Essential Qualification	1. MSc/MCA in CS/CSE and related branches or BTech/BE in CS/CSE and related branches from a recognized University/Institution, and 2. Two years experience in R&D in industrial or Academic institutions or Science and Technology Organizations and Scientific activities and Services
4	Desirable Qualification/Skills	ME/MTECH/PhD in CSE/IT
5	Consolidated Emoluments	i) INR 42000 + HRA to scholars who are selected through (a) National Eligibility Tests – CSIR UGC NET including Lectureship (Assistant Professorship) or GATE (b) A selection process through National level examinations conducted by Central Government Departments and their Agencies and Institutions ii) 33,000/- + HRA for others who don't fall under (i) above
6	Tenure of appointment	2 years (extendable based on satisfactory performance)
7	Age Limit	35 years
8	Project Code and Title	CRG/2023/007661, Geometric Approximation Algorithms
9	Job Description:	The project focuses on designing and analyzing efficient approximation algorithms and polynomial-time approximation schemes (PTASs) for geometric optimization problems. The successful candidate will contribute to theoretical advancements and algorithmic development in

		<p>computational geometry, with applications in areas such as facility location, covering and packing problems, and graph algorithms on geometric structures.</p> <p>Key Responsibilities:</p> <ul style="list-style-type: none">● Conduct research in approximation algorithms for geometric optimization problems.● Develop and analyze new algorithms, proving approximation guarantees.● Implement and experimentally evaluate algorithmic solutions.● Prepare research papers and technical reports for publication.● Collaborate with faculty members and other researchers on related topics.● Present findings in seminars and conferences. <p>Essential:</p> <ul style="list-style-type: none">● Strong background in algorithms, computational geometry, and theoretical computer science.● Knowledge of approximation algorithms and combinatorial optimization.● Proficiency in programming (C/C++/Python) for algorithm implementation.● Strong mathematical and analytical skills.● Ability to work independently and collaboratively in a research environment. <p>Preferred:</p> <ol style="list-style-type: none">1. Experience with approximation algorithms and PTASs.2. Familiarity with complexity theory and graph algorithms.3. Prior research experience in a related area, evidenced by publications or projects.

Details of the Application and Selection Process:

S. No.	Particulars	Details
1.	Schedule	Last date to submit application form: 03/01/2026 . Date of selection process (tentative): Will be intimated later through email. Any change in the schedule will be notified on the IIIT Raichur website.
2.	Application and Selection process	The candidates are requested to apply through the advertisement for project staff of the institute. Link to application form: https://forms.gle/NSN8LVTXHe2hyCPx5 Applications will be screened initially, based on the screening, only the shortlisted applicants will be called for an online interview via online mode. Mere fulfilment of minimum eligibility will not bestow the right for shortlisting. IIIT Raichur reserves the right to screen and shortlist candidates by introducing higher benchmarks. Emails will be sent to all shortlisted candidates.
4.	Documents Required	Applicant should have online version of all original certificates including mark sheets (matriculation onwards), experience certificate(s), monthly emoluments/salary drawn, other relevant documents (including one set of self-attested certificate(s)/document(s) and updated Curriculum Vitae.
5. For any queries candidates may write to (email)		

General Instructions to the applicants:

1	Selected candidates shall not have claim on any regular position and shall not be bestowed any of the privileges /benefits available to regular employees of the Institute.
2	Applicants are advised to ensure, before appearing for the Selection Process, that they possess the minimum essential qualification and experience laid down for the post. Qualification obtained has to be from a recognized University/Institute. Eligibility in terms of age, qualification and experience of a candidate shall be considered as on the date of Selection Process.
3	The number of vacancies indicated in the notification is tentative. IIIT Raichur reserves the right to increase or decrease the number of advertised posts at the time of selection. Further, IIIT Raichur reserves the right to NOT fill any of the posts advertised.

4	No TA/DA will be paid for attending the Selection Process.
5	In case of any inadvertent mistake in the process of selection, which may be detected at any stage even after issue of the appointment letter, the Institute reserves the right to modify, withdraw or cancel any communication made to the Applicants.
