

ANNEXURE 2

CGPA and Course Conversion

Sl. No.	Agenda Points	Proposals for IIIT R
1	In case of additional courses, while calculating the final CGPA, do you consider the best of 120 credits (only for Elective courses).	<p>Yes, only in terms of elective courses can be swapped and it will happen at the end of 7th sem.</p> <p>The additional courses will not be taken into account for CGPA calculations.</p>
2	What is the requirement for an honors degree, is it just completing min 12 credits? Does it have any CGPA criteria at the end?	<p>In order to earn an honors degree, a student has to earn a minimum of 12 extra credits in the student's major department.</p> <p>For CGPA calculations, we can mention in the transcript BTECH in CSE and BTECH in CSE with honors. For BTECH in CSE, the CGPA calculation will be on 120 credits whereas for BTECH in CSE with honors, the CGPA calculation will be on 132 (120+12) credits.</p> <p>Registration for honors: At the beginning of 5th sem. Credit conversion will be done by the end of 7th sem.</p>
3	Are we allowed to convert honors courses to regular courses, as an elective, and vice versa?	<p>If a student is registered for 12 credit course, the he is only allowed to convert two-third of total credit.</p> <p>If he/she is registered for less than two-third then he is allowed to convert only 3-credit.</p> <p>If he/she wants to drop the courses then all the honors course will be mentioned as additional course and no credit will be used for CGPA calculation.</p>
4	If course conversion is allowed, then when should we convert the courses and what's its process?	<p>A student has the option to convert a 3-credit course as mentioned in point no. 3. This conversion will happen only one time between 6 to 8 semesters.</p>
5	Will honors grades be considered in regular CGPA calculation or honors grades are separate from regular CGPA?	<p>There is two CGPA calculation in the transcript. One with BTECH in CSE and the other with BTECH in CSE with honors. One grade calculation is done on 120 credits and the other is done on 132 credits.</p>
